Des conséquences inattendues

- Waze mapped in real time police roadblocks during January 2015 terrorist attacks in Paris
- Citizen empowerment:
 - #Portesouvertes : second most popular #

Obsolescence des numéros d'urgence

- Automatic reception (no overload)
- Identification through registration
- Easy to geo-locate
- Alert triggered by concomitant launches!
- No need to talk, possibility to share pics, videos
- Less hoax-prone
- Possibility to share security advices with victims and eyewitnesses
